

28th September 2016

Moore Park Speedway

Important notice: To all club members and competitors.

As you will be aware the club installed a new Air Fence last season. The decision to purchase the Air Fence was made purely in the interests of competitor safety. It was a significant investment and the club still has a significant outstanding debt.

Despite the best efforts of the committee to secure sponsorship from many and varied charitable organisations and to sell advertising space, the club still faces a major challenge to repay the Air Fence loan in a timely manner.

Commencing from the first meeting in the 2016-2017 season we will be introducing a competitor levy which is to be paid in cash at the office when signing in at each race meet. All payments will go into a separate savings account to be specifically used to pay for the Air Fence. Debt reduction progress can be monitored easily by referring to the fundraising sign as you come in the gate.

Please understand this decision was not made lightly and was motivated by competitor safety/health and safety concerns.

We would also invite you to consider additional means of fundraising, sponsorship etc, any help would be very much appreciated.

SNR Solos \$15

Juniors \$5

Sidecar Rider \$15

Sidecar Swinger \$15

Yours faithfully

Moore Park Committee
